The image shows a screenshot of the 'Add Account' dialog box in Microsoft Outlook. The window title is 'Add Account' and it has a close button (X) in the top right corner. The main heading is 'Auto Account Setup' with the subtext 'Outlook can automatically configure many email accounts.' Below this, there are two radio button options: 'E-mail Account' (which is selected and has a dotted border) and 'Manual setup or additional server types'. The 'E-mail Account' section contains four input fields: 'Your Name:' with an example 'Ellen Adams', 'E-mail Address:' with an example 'ellen@contoso.com', 'Password:', and 'Retype Password:'. A note below the password fields says 'Type the password your Internet service provider has given you.' At the bottom right, there are three buttons: '< Back', 'Next >', and 'Cancel'.
