Subject of the Agreement

Article 1

By this contract rights and obligations between the Pan-European University and students are regulated in order to ensure the quality of studies and educational services, rendered in accordance with the standards of quality, prescribed under the authority of the Ministry and the Pan-European University Rulebook on quality evaluation and assurance. This, in its final outcome, will provide student the critical mass of knowledge, skills and development of student's ability to achieve particular professional and scientific competitions, as well as acquiring particular diploma and profession.

Basic Principles

Article 2

The students of the Pan-European University enjoy the freedom of speech, organisation of student's and other associations as well as the right to hold public meetings which might only be limited by the Law. They are also entitled to critically discuss, question and test given knowledge, to offer new ideas and controversial opinions by which they would not expose themselves to the risk of forfeiting their status or other privileges that they enjoy at the University.

Article 3

Student at the Pan-European University will not be discriminated against any of these particular human rights, specially in regard of race, religion, national or ethnical background, age, sex, sexual orientation, marital or parental status, disability or any other physical handicap, civil status and citizenship, income status as well as financial status, especially the rights to enrol to the University,

prava na upis na Univerzitet, prava na produžetak studija i prava na obrazovanje, uslova studiranja i ocjenjivanja postignuća studenta, pristupa slobodnim resursima Univerziteta, tretmana i angažovanja na Univerzitetu odn. mogućnosti zaposlenja na Univerzitetu.

#### Član 4

Nastava na Panevropskom univerzitetu za sve vidove studija izvodi se na srpskom ili hrvatskom ili bosanskom jeziku i/ili na jednom od svjetskih jezika (*engleski, njemački, ruski*). Studenti mogu polagati ispite na jednom od jezika konstitutivnih naroda, po vlastitom izboru. Na Panevropskom univerzitetu su u ravnopravnoj upotrebi ćirilčno i latinično pismo.

#### Status studenta

#### Član 5

Status studenta stiče se upisom na odgovarajući studijski program Panevropskog univerziteta. Ostvarivanje prava i obaveza studenta u nastavnom procesu prati se u okviru semestra. Student je upisan na redovne / vanredne studije (*nepotrebno precrtati*).

#### Član 6

Da bi student upisao narednu godinu studija mora ispuniti sve obaveze iz nastavnog plana i programa predviđene za tekuću školsku godinu u skladu za Zakonom o visokom obrazovanju Republike Srpske. Student koji ne ispuni navedene obaveze ponovo upisuje tekuću godinu studija, te ponovno plaća troškove školarine u skladu sa Pravilima o visini naknade za studiranje i cijeni usluga na Panevropskom univerzitetu.

Procedure upisa u narednu godinu studija i obnavljanja godine obavljaju se na početku školske godine u rokovima koji se javno objavljuju na oglasnoj tabli i na internet stranici ustanove. Studenti koji neblagovremeno predaju upisne materijale, plaćaju naknadu za predaju upisnih materijala prema Pravilima o visini naknada i cijeni usluga koje se naplaćuju na Panevropskom univerzitetu

#### Član 7

Student može tokom školske godine da pređe sa druge visokoškolske ustanove i da se upiše na Panevropskom univerzitetu. Studentu koji u toku godine prelazi sa druge visokoškolske ustanove, ili studentu koji ima položenih ispita u prethodnom školovanju, priznaju se položeni ispiti odlukom dekana Fakulteta na kojem je upisan, a na osnovu prijedloga Komisije za priznavanje ispita u skladu sa članom 60 Statuta univerziteta. Student je dužan da u daljem školovanju na Univerzitetu položi svu razliku ispita i da stekne broj kredit-bodova predviđen za upis u naredne godine studija u skladu sa odredbama Statuta Panevropskog univerziteta.

#### Član 8

Student koji posjeduje diplomu iz prethodnog školovanja može da upiše odgovarajuću godinu studija na Panevropskom univerzitetu zavisno od matičnosti prethodnog školovanja a u skladu sa članom 62 Statuta univerziteta. Odlukom dekana, studentu se može odrediti diferencijalni program kojim se upotpunjava njegovo prethodno školovanje i omogućava nastavak školovanja.

#### Član 9

U toku školovanja student može preći sa jednog na drugi studijski program unutar Panevropskog univerziteta. Student je dužan da položi sve predmete studijskog jezgra studijskog programa na koji prelazi, a koje nema položene u okviru prethodnog studijskog programa.

#### Član 10

Student ima pravo da provede određeno vrijeme (semestar ili studijsku godinu) na drugoj visokoškolskoj ustanovi u zemlji ili u inostranstvu posredstvom programa za razmjenu studenata, ili na bazi bilateralnih ugovora između visokoškolskih ustanova.

U skladu sa bilateralnim ugovorom studentu se priznaje ostvareni broj bodova sa visokoškolske ustanove na kojoj je boravio.

Student is obliged to pass all compulsory courses from enrolled studying program and, together with elective program, to realize minimum 60 ECTS credits per academic year.

Compulsory and elective courses together with differential and facultative syllabus create unique studying program of academic year of studying.

#### Article 26

Student of the Pan-European University, during one academic year, on all curricular and studying basis, can not accomplish more than 75 ECTS credits, increased with the aliquot of the credits of the last exam, in accordance with the Article 39 of the Pan-European University Statute.

#### Article 27

Student decides on elective courses from the curriculum which he/she has chosen or from other studying programs organized at the Pan-European University, if they are compatible. Student who does not pass elective subject can sign up for the same course again or chose another elective course.

Student is able to achieve the elective program and courses from the other academic sources according to the Curriculum and Syllabus of the elective and facultative program applied at the Pan-European University for the current school year which is brought by the Senate of the University.

Student is obliged to select and register elective courses on the prescribed form in the Student Services Department or through the e-filing form on the web page of the institution at the beginning of the school year.

Students who select and register elective courses untimely pay a fee for untimely reporting of election program under the Rules on tuition amounts and prices of services charged at the Pan-European University.

### Finansijske obaveze studenta

#### Član 28

Student je dužan da za obrazovne i druge intelektualne i edukativne usluge odn. servise koje studentu isporučuje Panevropski univerzitet, odn. njegove ovlaštene organizacione jedinice, izvrši plaćanje u iznosu i prema uslovima fakture za školarinu i za ostale obrazovne usluge u školskoj 2022/23. godini. Faktura za školarinu i za ostale obrazovne usluge ispostavlja se studentu prilikom upisa školske godine i čini sastavni dio ovog Ugovora. Cijene usluga koje se fakturišu usklađene su sa *Pravilima o visini naknade za studiranje i cijeni usluga na Panevropskom univerzitetu*. Cijene usluga ažurira i donosi Upravni odbor a potvrđuje Senat Panevropskog univerziteta za svaku školsku godinu.

Student uplaćuje neposredno jednokratne usluge koje se ne fakturišu, u skladu sa *Pravilima o visini naknade za studiranje i cijeni usluga* koje se naplaćuju na Panevropskom univerzitetu.

Naknade za školarinu i druge edukativne usluge zavise od studijskog programa kojeg je upisao student, tipa studija, obima dopunskih obrazovnih usluga, godine studija, geografske regije u kojoj se nalazi mjesto boravka studenta ili drugih parametara koji utiču na tržišnu poziciju Panevropskog univerziteta i njegovih organizacionih jedinica u kojima se organizuje studijski proces.

Naknade za školarinu i druge edukativne usluge u tekućoj godini mogu da se razlikuju u odnosu na ranije školske godine.

U slučaju promjene kursa KM u odnosu na EURO u toku studija, Panevropski univerzitet zadržava pravo da sve preostale obaveze studenta preračuna u EURO valutu prema srednjem kursu CBBiH koji je bio važeći na dan sklapanja Ugovora o studiranju, a student se obavezuje da sve dalje uplate obaveza na ime školarine vrši u KM valuti primjenjujući srednji kurs CBBiH za EURO na dan izvršene uplate.

#### Član 29

Student može da **uplati školarinu** i/ili druge usluge Univerziteta **u ratama** u skladu sa *Pravilima o visini naknade za studiranje i cijeni usluga na Univerzitetu*.

Ukoliko student obaveze po osnovu školarine uplaćuje u ratama, dužan je da alikvotne iznose uplaćuje prema dinamici predviđenoj u *Pravilima o visini naknade za studiranje i cijeni usluga na Univerzitetu*. Izmirenje obaveze uplate prve rate je uslov upisa školske godine. Izmirenje obaveza uplate *srednje* rate je uslov za ovjeru prvog semestra i produžetak studija u drugom semestru. Izmirenje obaveze uplate *zadnje* rate je uslov za ovjeru i za završetak tekuće školske godine.

Studentu neće biti dozvoljeno polaganje ispita u pojedinim ispitnim rokovima ukoliko nije izmirio obaveze uplate svih rata prispjelih prije datuma zakazanog ispitnog roka.

Student ne može da upiše narednu školsku godinu ukoliko nije izmirio sve finansijske obaveze prema Univerzitetu iz prethodnih godina.

#### Član 30

Za upisanu godinu studija po osnovu prelaska sa druge visokoškolske ustanove, ili po osnovu produžetka školovanja, student plaća punu naknadu školarine.

#### Član 31

Talenti koji su postigli visok uspjeh u prethodnom školovanju, studenti koji na Panevropskom univerzitetu studiraju više obrazovnih ciklusa u kontinuitetu, studenti koji uplate ukupan iznos školarine tekuće školske godine ili cjelokupnog školovanja, prije početka tekuće školske godine, studenti iz porodica iz kojih na Panevropskom univerzitetu studira više od jednog člana uže porodice, kao i druge kategorije korisnika usluga Univerziteta koje utvrdi Upravni odbor Univerziteta svojim posebnim odlukama, imaju pravo na odgovarajuće **popuste i povlastice** u plaćanju obaveza prema Univerzitetu u skladu sa kriterijumima razrađenim u *Pravilima o visini naknade za studiranje i cijeni usluga na Univerzitetu*.

### Financial obligations of student

#### Article 28

Student is obliged to make a payment for educational and other intellectual services provided by the Pan-European University in the amount defined by the authorised body of Pan-European University and according to the conditions of the Tuition Fee Invoice for the academic year 2022/2023. The Tuition Fee Invoice is issued to the student when enrolling the University and composes integral part of this Contract. The costs of the services which are invoiced are in accordance with the Rules on tuition fees and prices of services, to be charged at the Pan-European University. The costs of services are defined and brought up to date by the Managing Board and ratified by the Pan-European University Senate for every academic year.

Student makes payment immediately for the services occurring once which are not invoiced, in accordance with the Rules on tuition amounts and prices of services charged at the Pan-European University.

Compensations for tuition fee and other educative services in the current year can differ from the previous years depending on the type of the study program, amount of the additional educational services that are delivered, study year, region of the student residence and other parameters that influence on the University market position.

If the exchange rate of KM currency was modified towards EURO, Pan-European University reserves the right to recalculate the students' remaining liabilities, according to the middle exchange rate applied in Central Bank BiH valid for the day of the conclusion of this contract. In this case the further students' payments will be executed in KM currency applying the EURO middle exchange rate of the Central Bank when the payment was done.

#### Article 29

Student can make a payment on tuition fee and/or other services provided by the Pan-European University in instalments, in accordance with the Rules on tuition fees and prices of services charged at the Pan-European University.

If student makes his/her payments on tuition fee in instalments, he/she is obliged to pay the consecutive instalments by the dynamics anticipated in the Rules on tuition fees and prices of services charged at the Pan-European University. Fulfilling of obligations of paying the *first* instalment is a condition for enrolment in the current school year. Fulfilling of obligations of paying the *middle* instalment is a condition for attesting of the first semester and enrolling the second. Fulfilling of obligations of paying the *last* instalment is a condition for attesting and ending of current academic year.

Student will not be allowed to take the exams in particular periods if he/she did not fulfil his/her obligations of paying all instalments which were due before that exam period.

Student will not be allowed to enrol the following academic year if he/she did not fulfil his/her obligations of paying all instalments from the previous years.

#### Article 30

For the enrolled academic year, on the basis of transferring from other University/Faculty, or on the basis of extending the studies, student has to pay for the whole tuition fee.

#### Article 31

Talented students who have achieved a high accomplishment in their previous education, students who study several educational cycles in continuity at the Pan-European University, students who make a payment of the whole tuition fee of the current school year or the College education in whole, before the beginning of the school year, students from the families who have more than one member studying at the Pan-European University and other categories of users of services of the University which are defined by the Managing Board of the University with its particular decisions, are entitled to appropriate **discounts and benefits** in regard of fulfilling the financial obligations at the Pan-European University in accordance with the criteria defined by Rules on tuition amounts and prices of services, to be charged at the Pan-European University.

### Član 32

Student koji se ispisuje sa Univerziteta ima pravo na **povrat uplaćene školarine** prema sljedećim pravilima:

- Povrat uplaćenog iznosa školarine, umanjenog za iznos manipulativnih troškova vezanih za izradu indeksa i ažuriranja matičnih podataka zbog ispisa, ako se zahtjev za ispis podnese u roku od mjesec dana od dana početka školske godine;
- Povrat polovine uplaćene školarine, umanjene za iznos manipulativnih troškova u skladu sa Pravilima o visini nakande za studiranje i cijeni usluga na Panevropskom univerzitetu, ukoliko je student uplatio cjelokupni iznos godišnje školarine i ako se zahtjev za ispis podnese do kraja prvog semestra;

Student koji obnovi školsku godinu zbog ispunjavanja zaostalih ispitnih obaveza iz prethodne školske godine odn. iz prethodnog školovanja, po osnovu upotunjavanja redovnog programa studija ili izvršavanja diferencijalnog programa, ili zbog izvršavanja obaveza po osnovu fakultativnih studija, ili zbog pauze u studiju odn. zamrzavanja studija u tekućoj školskoj godini plaća **50 %** školarine za školsku godinu koju obnavlja (odn. oslobađa se 50 % školarine).

Student koji završi cjelokupan studijski program predviđen u odgovarajućem studijskom ciklusu i obnavlja školsku godinu zbog polaganja diplomskog odn. specijalističkog ispita oslobađa se uplate školarine za obnovljenu godinu.

### Član 33

Student je dužan da se pismenim podneskom obrati Upravnom odboru Panevropskog univerziteta radi ostvarivanja popusta i povlastica u finansiranju studija, povrata školarine ili prava po osnovu završetka školovanja.

### Ispiti i evaluacija znanja

#### Član 34

Panevropski univerzitet je obavezan da obezbijedi kontinuirano praćenje uspješnosti studenata u savlađivanju pojedinih predmetnih jedinica i da vrednuje rezultate ukupnog rada studenta tokom obrade odnosnog predmeta u skladu sa Zakonom o visokom obrazovanju i odredbama Statuta Panevropskog univerziteta.

Predmetni nastavnik je obavezan da studente na početku nastave upozna sa specifičnim zahtjevima i metodologijom organizacije nastave, praćenja i ocjenjivanja, karakterom i sadržinom završnog ispita, struktorom ukupnog broja poena i načinom formiranja ocjene.

Student stiče pravo da polaže ispit iz nastavnog predmeta kada izvrši sve predispitne obaveze utvrđene nastavnim programom, ovjeri semestar i ispunji druge uslove propisane Statutom univerziteta i Nastavnim planom i programom. Provjera znanja studenata u toku školske godine vrši se na način utvrđen programom nastavnog predmeta.

#### Član 35

Studentu su omogućena najmanje tri polaganja ispita iz svakog predmeta i to: dva polaganja u terminima redovnih rokova i najmanje jedan termin u opštem septembarskom roku koji se organizuje za sve predmete. Student polaže ispit u redovnom roku u dva ispitna termina neposredno po završetku nastave iz tog predmeta odn. u zakonskim ispitnim rokovima. Drugi ispitni termin se organizuje ne ranije od 7 dana i ne kasnije od 15 dana nakon prvog ispitnog termina.

Student snosi troškove svih naknadnih polaganja istog ispita prema Pravilima o visini naknade za studiranje i cijeni usluga koje se naplaćuju na Univerzitetu.

#### Član 36

Poslije tri neuspjela polaganja istog ispita, student ima pravo na lični zahtjev polagati ispit pred ispitnom komisijom koju imenuje Rektor univerziteta.

Student ima pravo da podnese prigovor ako smatra da ispit nije

### Article 32

Student who withdraws the University, is entitled to reimbursement of the tuition fee, according to the following rules:

### Exam and knowledge grading

#### Article 34

The Pan-European University is obliged to provide continuing monitoring of student's success in accomplishing particular lecturing units and to evaluate the results of student's work on particular course in total in accordance with the Law on higher education and the regulations of the Pan-European University Statute.

The professor on a particular course is obliged to introduce students, at the beginning of the lectures, with specific demands and methodology of organization of the lectures, monitoring and evaluating, character and content of the final exam, the structure of the total number of points and the method of grade forming.

Student is entitled to take the exam from a particular course once he/she finishes all prerequisites given in the syllabus, to verify a semester and fulfil other obligations stated in the Pan-European University Statute and syllabus. Testing of student's knowledge during academic year is performed in accordance with provisions defined in syllabus.

#### Article 35

Student is enabled with at least three exam terms for each course: two regular terms and at least one term in September-exam campaign which is organized for all the courses. Student is able to take the exam in two regular terms immediately after the finalisation of course lectures and according to the legal exam regulations. Complementary term is organised not earlier than 7 days after the regular term, and not longer than 15 days after the regular term.

Students bare the expenses of all supplemental passing of the exams according to the Rules on tuition amounts and prices of services, to be charged at the Pan-European University.

#### Article 36

If student does not pass the exam the third time he/she is entitled to take the exam in the presence of exam commission appointed by the Rector of the University.

Student is entitled to submit the written objections if the exam, by his/her opinion is not performed according to the law or the university regulations. If the objection is justified by the authorised University body, student is entitled to take

obavljen u skladu sa zakonom i opštim aktom visokoškolske ustanove. Ako se usvoji prigovor studenta, student ponovo polaže ispit pred ispitnom komisijom.

Student snosi troškove komisijskog polaganja ispita prema Pravilima o visini naknade za studiranje i cijeni usluga koje se naplaćuju na Univerzitetu.

#### Član 37

Student koji je nezadovoljan visinom pozitivne ocjene utvrđene u redovnom ispitnom roku, može izraziti svoje neslaganje sa visinom ocjene neposredno nakon završetka ispita i tražiti da se pozitivna ocjena ne uvaži. Student je obavezan da ispit iz predmeta iz koga mu je poništena ocjena ponovo polaže do kraja tekuće akademske godine i da snosi troškove vanrednog polaganja.

Studenti koji nisu položili pismeni dio ispita imaju pravo uvida u svoj rad neposredno poslije objavljivanja ispitnih rezultata.

#### Član 38

Istoga dana student može polagati najviše dva ispita iz istog studijskog programa.

#### Član 39

Student nema obavezu da izradi diplomski rad u prvom trogodišnjem bachelor ciklusu školovanja.

Student ima obavezu da izradi diplomski rad i da ga odbrani u četverogodišnjem bachelor ciklusu školovanja.

### Tranzicione studije

#### Član 40.

Studenti studiraju prema Nastavnim planu i programu školske godine u kojoj su upisali studij, a akademske titule, odnosno, stručna zvanja, stiču prema aktuelno važećoj Nomenklaturi strukovnih, akademskih i naučnih zvanja koja se stiču na studijskim programima Panevropskog univerziteta "APEIRON" i listom strukovnih, akademskih i naučnih zvanja koju donosi nadležno Ministarstvo.

#### Član 41.

Student ima pravo da tokom studija kontinuiteta na Panevropskom univerzitetu produži studij na istom, ili na višem stepenu u okviru istog studijskog programa. Studentima je omogućeno da odgovarajućim odabirom diferencijalnih predmeta u okviru izbornog programa steknu specijalistička znanja u okviru odgovarajućih specijalističkih usmjerenja tokom studija prvog ciklusa u četverogodišnjem trajanju.

Da bi stekao pravo na specijalistička usmjerenja, student je u obavezi da se odgovarajućim zahtjevom obrati rektoratu Univerziteta na početku četvrte godine studija, a najkasnije do kraja novembra meseca tekuće akademske godine.

Da bi ostvario tranziciju trogodišnjeg studija studijskog programa kojeg je student upisao na četverogodišnji studij u istom stepenu, student je dužan da se obrati rektoratu univerziteta sa odgovarajućim podneskom. Ukoliko student ne vrši promjenu studijskog programa ima pravo da produži školovanje na istoj godini studija u kojoj je trenutno upisan odn. upisuje narednu godinu studija u odnosu na godinu koju je završio.

#### Član 42.

Studentima je omogućeno da u režimu intenzivnog studija kroz izborni program, ili u kombinaciji izbornog programa sa fakultativnim programom, steknu dopunsku diplomu u toku redovnog školovanja ili proširenog redovnog školovanja (*redovno školovanje dopunjeno sa jednim dodatnim semestrom*). Uslov za sticanje dopunske diplome u određenom studijskom programu je savladavanje obaveznog plana i programa u toj studijskoj oblasti.

Student može da u izbornom programu svoga studija polaže razliku predmeta matičnog jezgra *clijne* studijske grupe tokom redovnog studija ukoliko je taj studijski program kompatibilan sa upisanim studijskim programom u smislu razmjernosti predmeta prema Matrici matičnosti kompatibilnih studijskih programa

the exam in the presence of exam commission.

Student bears the expenses of taking the exam in the presence of exam commission according to the Rules on tuition amounts and prices of services, charged at the Pan-European University.

#### Article 37

Student who is not satisfied with the grade earned in regular term is allowed to object immediately after the exam and to ask cancellation of that particular grade. Student is obliged to pass the exam, for the grade he previously revoked, until the end of the current academic year and to bear the expenses of additional passing.

Students who did not pass the written part of the exam are allowed to examine their paper after the results are announced.

#### Article 38

Student is allowed to take maximum two exams in the same day from the same studying curricula.

#### Article 39

Student is not obligated to write a final diploma work in the first – three years bachelor study cycle.

Student is obliged to write final diploma and specialist work and to pass final examination in the four years bachelor study cycle.

### Transitional studies

#### Article 40.

Students study according to the Curriculum of the school year in which they enrolled. Academic titles and professional titles are acquired according to the currently valid Nomenclature of professional, academic and scientific titles (that are acquired in the study programs of the Pan-European University "APEIRON") and according to the list of professional, academic and scientific titles issued by the competent Ministry.

#### Article 41.

Student is entitled to continue his studies on the same level or on the higher level within the continuity of the study process on Pan-European University in the enrolled study curriculum. Students are able to gain the specialist knowledge and skills through the selection of specific differential curriculum within the frame of elective program in the specific study orientation at the first study cycle that endures 4 study years.

To earn the right on specialist study orientation, student must submit at the beginning of the fourth study year, but not later than the end of November of the current academic year, the written request to the rector office.

To realize the transition from the three-years bachelor program towards the four-years study program in the same study cycle, student is obliged to admit the request to the Rectors office. Student who did not change the enrolled study program is entitled to continue the study on the same school year that is currently enrolled or on the next study year related to the year he already finalized.

#### Article 42.

Students are able to gain the additional diploma during the regular or the extended study within the intensive study program through the elective study curriculum or in combination with the facultative curriculum. Requirements for the additional diploma in the second study program are the finalization of the compulsory study syllabus.

Student is entitled to pass the course difference of the core study area of the targeting study program within his elective program during the regular studies, if the targeting program is compatible with the enrolled study curriculum, meaning the possibility of course interchange according to the Matrix of the compatible core study areas on Pan-European University that consist the part of the Rulebook on transitional studies.

Panevropskog univerziteta koja je sastavni dio Pravilnika o tranzicionim studijima Panevropskog univerziteta.

**Član 43.**

Student može da u dodatnom fakultativnom programu u režimu intenzivnih studija polaže razliku predmeta matičnog jezgra *ciljne* studijske grupe po uslovom da:

- ažurno i uspješno ispunjava sve obaveze vezane za ostvarivanje plana i programa svojih redovnih studija
- nema zaostalih ispitnih obaveza iz prethodnih godina,

Intenzivne studije sa predloženim fakultativnim programom odobrava rektor univerziteta na osnovu formalnog zahtjeva studenta uz analizu postignuća studenta u prethodnom studiju i ukupnih sposobnosti i kapaciteta studenta za uspješno savladavanje intenzivnih studija i fakultativnog programa.

**Prelazne odredbe**

**Član 44.**

Student neće polagati autorska prava na radove koje je izradio kao dio procesa evaluacije znanja tokom studija i dozvoljava da se navedeni radovi publikuju od strane Panevropskog univerziteta u elektronskom i u pisanom obliku. Student je dužan da sve pisane radove dostavi u elektronskom obliku u biblioteci Panevropskog univerziteta. Panevropski univerzitet nema ekskluzivna prava na studentske radove.

Studentski radovi moraju zadovoljiti sve zahtjeve vezane za prevenciju plagijarizma na Pan-Evropskom univerzitetu.

Panevropski univerzitet može da koristi slike, video-snimke i druge multimedijalne materijale na kojima se nalazi student, a koji su napravljeni u prostorima univerziteta, ili u drugim prostorima u kojima se odvija nastavno-naučni proces, za edukativne, promotivne i marketinške potrebe univerziteta, bez novčanih i drugih naknada i bez traženja posebnih odobrenja studenta.

**Član 45.**

Prilikom regulisanja međusobnih odnosa ugovornih strana koji nisu definisani ovim Ugovorom primjenjivat će se Zakon i podzakonski akti koji regulišu oblast visokog obrazovanja, te Statut i ostali opšti i pojedinačni akti koji su donešeni na Panevropskom univerzitetu.

U slučaju prestanka rada Panevropskog univerziteta „APEIRON“ Banja Luka ili prestanka izvođenja studijskog programa na koji je student upisan, Panevropski univerzitet će obezbijediti studentu nastavak školovanja na srodnom studijskom programu koji se i dalje izvodi u okviru Panevropskog univerziteta, ili na srodnom studijskom programu na drugoj licenciranoj ili akreditovanoj visokoškolskoj ustanovi sa kojom je Panevropski univerzitet sklopio sporazum.

**Član 46.**

Sve sporove po ovom Ugovoru ugovorne strane će rješavati sporazumno, a za slučaj da to ne bude moguće obje ugovorne strane priznaju nadležnost Osnovnog suda u Banjoj Luci.

**Član 47.**

Ugovor je izrađen u dva primjerka od kojih jedan primjerak zadržava student a jedan primjerak Panevropski univerzitet.

**Article 43.**

Student is entitled to pass the intensive study courses of the core area of the additional facultative curriculum under the following conditions:

- accurately and successfully fulfills the requirements related to the completion of the curricular obligations of the regular studies;
- has no remaining exams from the previous study years,

Intensive studies of the proposed facultative curriculum will be approved by the Rector of the University based on the formal student request and the analysis of the student achievements in foregoing studies. Analysis will include the estimation of the overall student capacities and competences for the successful finalizing of the intensive study program.

**Transitional provisions**

**Article 44**

Student will not lay copy rights to the works he/she does as a part of process of evaluation of knowledge during the studies and allows these works to be published by the Pan-European University in electronic and written form. Student is obliged to hand out the works for publishing in electronic form to the library of the Pan-European University. The Pan-European University does not have exclusive rights to student's works.

Student works must satisfy requirements of the Policy of preventing the plagiarism on the Pan-European University.

Pan-European University is entitled to use the pictures, video-clips and other multimedia materials taken in the university premises or in the other premises used for lecturing and scientific process, where the student is recorded, for education, promotional and marketing purposes, without any financial or other allowances to the student and without specific approval of such action from the student.

**Article 45**

Relations of the contracting parties which are not defined by this Agreement, are regulated by the Law and other legal documents provided in the field of higher education and the Pan-European University Statute and other Rulebooks and specific acts brought on the University.

In the case of closing Pan-European University „APEIRON“ Banja Luka or closing of a certain department attended by a student, Pan-European University will provide students with education on the similar study programme that exists within the Pan-European University, or similar study programme at other licensed or accredited institution of higher education which the Pan-European University signed a contract with.

**Article 46**

All disputes according to this Contract will be settled by mutual consent, by the contracting parties. In the case that is not possible, both contracting parties recognise jurisdiction of Banja Luka District Court.

**Article 47**

The contract is created in two copies from which one copy belongs to student and other to the Pan-European University.
