ACCESS CONDITIONS

Code	Course/Module title	Grade	Description of conditions (additional)
	Comparative History of State and Law		Exam passed
	Legal Philosophy and Theory		Exam passed
	Constitutional Law		Exam passed

COURSE METHODOLOGY

During the processing of the subject, the following are foreseen:

- 30 contact hours of interactive lectures;
- 24 hours for making a seminar paper;
- 12 hours for source research;

Lectures according to the established schedule with the use of modern presentation and demonstration tools and techniques with the application of an interactive method of working with students, which give insight into their prior knowledge and specific experiences based on the issues covered, as well as insight into continuous mastering the subject. Use of didactic and educational content in electronic and digital form (including recorded lectures and mentoring exercises) on various video-presentation media (video-cassettes, interactive multimedia optical media).

The student is obliged to defend the seminar paper in front of the student audience using the LEG-scale for the evaluation of speakers/presenters (developed at the Pan-European University) by students-listeners.

The seminar papers must meet methodological criteria of academic writing, standards of correct citation, requirements of minimum "scope of work" and requirements of "content of work" defined with the supervisor or the lecturer when defining the topic.

The papers must be larger than the minimum volume of 7 pages of standard-formatted text. The work must meet the requirements of the topic in terms of methodology and content. The paper must not be copied verbatim from the source, but all quotations must be referenced.

Seminar or introductory papers, with a volume of at least 20 pages of standard-formatted A4 text, which are prepared according to the prescribed methodology and content provide the highest grade (A - 10 - excellent) will be scored in the ECTS system with 3 ECTS credit points, which are entered in the student booklet - index in the section "Other forms of student work".

These papers will be published at the University's website and will be submitted for publication in the annual Proceedings of the Pan-European University. Each professor can apply for external grading and publication of no more than 10% of student seminars or entrance papers within one promotion of students.
